Dear Renee:

Congratulations on the new Tiny Toon Adventures episode you wrote with your friends! I hope all of you had an excellent time in Los Angeles! I know everyone at Warner Brothers was really looking forward to meeting you and your friends.

You probably already know that Quaker has created a cereal, called Tiny Toon Adventures Cereal, to go along with the show. We expect that the product will reach the grocery stores in your area by the end of next month. In the meantime, I am sending a case of Tiny Toon Adventures Cereal (under separate cover) to both you and your friends to try. I'd really be interested to know your opinion about the product, so feel free to contact me and tell me what you think!

Sincerely,
