Dear Sarah, Amy, Renee,

I would like to offer my heartiest congratulations on your recent success in Hollywood.

You have not only won the admiration of your hometown but the entire country for your excellence in writing for a prime cartoon feature.

I shall be watching you on TV in the future, and send you my best wishes for continued success in story writing. We are proud of you!

Sincerely,

A handwritten signature in cursive script, appearing to read "Frank W. Nolen".
